

**MIYARU KENYA LIMITED**  
*supplies and construction*

### **Our Vision**

To achieve and maintain the highest level of professionalism and efficiency to become an integral part of our client's businesses.

### **Our Mission**

Our mission is to provide continuous high-value services to our clients through the alignment of our services to their needs.

### **Miyaru Kenya Limited Commitment**

We fully recognize, both corporately and as individual members of the company, our responsibility to protect the environment. Through continual improvement in our systems, processes and materials we aim to minimize the impact on the environment of our work and ensure that, as a minimum, we fulfill our compliance requirements with all relevant environmental legislation and approved codes of practice.

### **Environmental Policy**

Miyaru Kenya Limited's Environmental Policy provides the framework for setting and reviewing environmental objectives and targets. It actively encourages education and training of our employees in environmental issues and the environmental effects of their activities and assures all stakeholders of our commitment to demonstrable environmental management.

### **Goal**

The purpose of this policy is to protect the environment for future generations while minimizing interference with our commercial activities and individual liberty.

### **Scope**

The scope of our environmental policy includes the following aspects: Ensuring that Miyaru Kenya Limited adheres to all relevant environmental laws and regulations; Efficient use of resources such as energy, water, and raw materials to minimize waste and reduce environmental impact; Our company has put in place measures to prevent pollution and reduce emissions, including air, water, and soil pollution in all activities we carry out; Strategies for reducing, reusing, and recycling waste materials in all our operations; Incorporating sustainable practices into business operations, such as using renewable energy sources and promoting biodiversity; Employee Engagement through education in environmental initiatives and practices; and Regularly reviewing and improving environmental performance and management systems set out by Miyaru Kenya Limited.
